Why Speak Out?

- To help make our community safer
- To stop it happening again
- To teach people that its not OK
- To get help and justice for victims
- To collect information about racist incidents to assist the Human Rights Commission and the Police to educate and make our community safer
- International Best Practice - UN Convention on the Elimination of all forms of Racial Discrimination, (ratified by NZ)

Did you know:

- Nelson has the third largest percentage of migrants per capita in 2008 behind Auckland and Wellington
- We had 772 International students residing in the region in 2008
- Our Maori population has doubled since 1991
- In a 2009 research report*, more than 90 percent of non European participants who had lived in the region for more than a few months had experienced racial abuse -
 - 81% personally experienced racism
 - 86% witnessed racism
 - 39% felt unsafe
 - Only 21% reported, but 80% would report if easy to do so

* "Towards a Reporting System for Racist Incidents in Nelson Tasman: **Diverse Communities Speak**" report by Debbie Kohner, published in 2009.
